

Living with HIV

HIV Champions Conference Objectives

Overall Aim of this regional conference

- To establish a core group of SCB Champions in the region with the necessary skills, confidence, knowledge and support to effectively address the HIV/AIDS related issues facing SCB employees, their families and their communities.

Learning Objectives for participants

By the end of this conference, you will:

- Have an awareness of the size and impact of the HIV pandemic.
- Have an awareness of the Group's policy on HIV.
- Have a clear vision of the future you want for yourself and your country's HIV program.
- Feel confident about using a selection of *Bridges of Hope* HIV/AIDS education tools and techniques.
- Have a good understanding of the resources available to you, and how to make best use of them.
- Be committed to a plan and motivated to make it happen.

A Vision for the Employees, Families and Communities linked to Standard Chartered Bank

Imagine a time when:

- All Standard Chartered employees have all the relevant information and useful knowledge they need to look after their own health and offer support to their families and local community members.**
- Men and women enjoy wonderful, loving relationships in ways that keep them healthy and safe from HIV infection.**
- People of all ages, including those living with HIV, are staying healthy and having a better quality of life.**
- People always give support, friendship and compassion to those they know are living with HIV or AIDS.**
- In your own society, it is widely recognised that Standard Chartered Bank has made a major and effective contribution to health education.**
- You feel proud and happy, because you know that, in your own way, you have contributed to achieving this vision.**
