EMPOWER YOUR BUSINESS FOR SMOOTHER GROWTH

In business, you always expect things to run smoothly, especially when it comes to growth, expansion and day-to-day transactions. The same should apply when it comes to tackling your cash management challenges. Business Essentials also brings to the table expert advice, convenient solutions and preferential rates to poise your business for greater success and seamless operation.

BUSINESS CURRENT ACCOUNT

Simply maintain a monthly balance of LKR 500,000 in your current account to enjoy the benefits of Business Essentials. You will also receive free cheque books and E-Statements.

STRAIGHT2BANK (S2B) INTERNET BANKING SERVICES

Stay in control with this fully integrated internet banking service for all your transaction and information needs. With online tools that help free up your time, you can focus on new growth opportunities and build a more successful business.

BUSINESS PHONEBANKING

In addition to Straight2Bank services, you can access your account 24/7 for your latest cash position and manage your funds.

E-STATEMENTS

Wherever you are, you can receive E-Statements that let you keep track of your account activities effortlessly.

PREFERENTIAL RATES

Seize business opportunities and grow your business with preferential FX, Foreign Currency, Trade, S2B and other payment tariff rates.

DEDICATED SUPPORT

No matter what you are facing there are valuable insights, solutions and support from your dedicated Relationship Manager.

ADVISORY AND SPECIALIST

Take full advantage of advice from dedicated Trade, Foreign Exchange and S2B specialists. You can make the most of it with value-added benefits and services to empower your business.
