MANAGE YOUR BUSINESS WITH GREATER EASE

When it comes to establishing and building a business, having easy access to your finances and the right kind of financial tools could mean all the difference. Business Plus provides you with convenient tools that make it easier to manage your money, so you can focus on growing your business. All you have to do is maintain a minimum average monthly balance of LKR 250,000 to avail of a range of support services that will give you ease.

BUSINESS CURRENT ACCOUNT

Simply maintain a monthly balance of LKR 250,000 in your current account to enjoy the benefits of Business Plus. You will also receive cheque books for a minimal fee and free E-Statements. In addition, you receive a waiver of 50% on third party cheque return charges.

STRAIGHT2BANK (S2B) INTERNET BANKING SERVICES

Empower your business with this convenient, fully integrated internet banking service that provides a single point of access for your cash flow management.

BUSINESS PHONE BANKING

In addition to Straight2Bank services, you can access your account 24/7 for your latest cash position and manage your funds.

E-STATEMENTS

Wherever you are, you can receive E-Statements that let you keep track of your account activities effortlessly.

DEDICATED SUPPORT

No matter what you are facing there's valuable insights, solutions and support from your dedicated Relationship Manager.

ADVISORY AND SPECIALIST

Take full advantage of advice from dedicated Trade, Foreign Exchange and S2B specialists. Make the most of it with value-added benefits and services so you can grow your business with ease.
